

Associated Students of Modesto Junior College

Resolution S14-1

MJC Bike Path

Presented by President Campbell & the Astronomy Club

Sponsored by Vice President Reed & Senator Gomez

Co-Sponsored by the Academic Senate

Whereas: City of Modesto engineers have a detailed proposal for an MJC Bike Path that is feasible given existing infrastructure considerations.

Whereas: The proposed MJC Bike Path provides a safe, reliable, and efficient transportation alternative for MJC Students, and members of the community.

Whereas: Safer, more appealing bicycle routes encourage bicycling and exercise in general, positively impacting MJC Student wellness.

Resolved: The Associated Students of Modesto Junior College supports the City of Modesto in constructing the MJC Bike Path.

Adopted by the Student Senate: April 4th, 2014
